Know the Signs. Ask the Question. Save a Life.

2016 Crisis Line Call Volume

Follow-Up Services

Our Service

Follow up by phone with clients recently discharged or receiving outpatient care

“I had a plan to meet my drug dealer, but I knew you were going to call. So I waited.”

- Follow-up client

Benefits

- Significantly reduce suicide
- Fewer ER visits and shorter hospital stays = cost savings
- Reduce barriers to accessing services

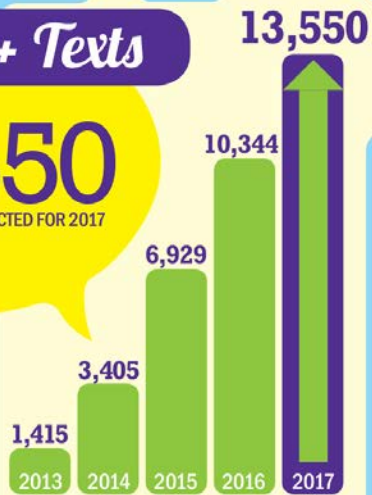

People Enrolled to Receive Follow-up
