

# Here's the roadmap...

- Introductions
- Background Information
- Implementation
- Benefits
- Model 2.0
- Audience

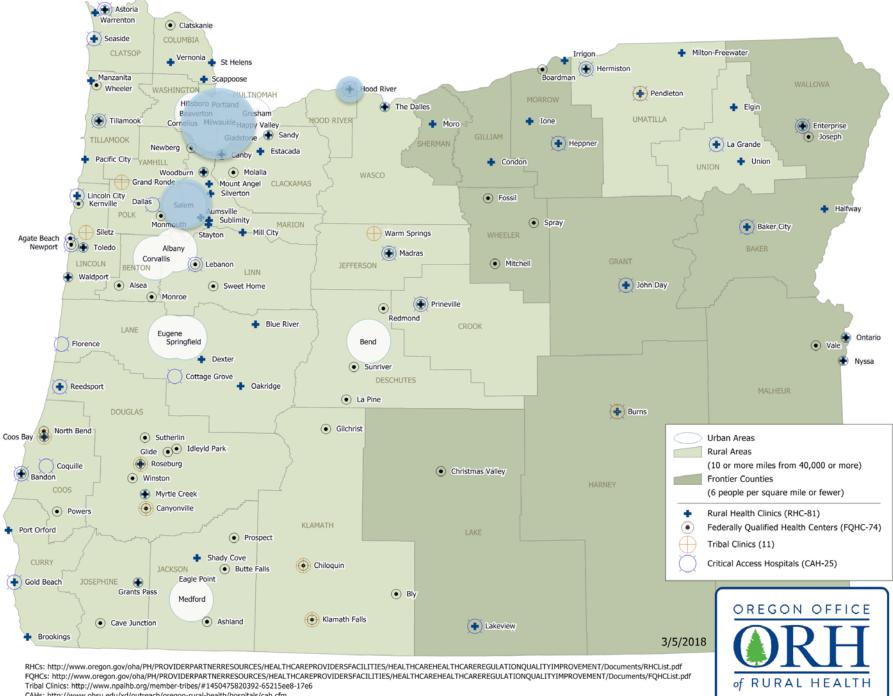

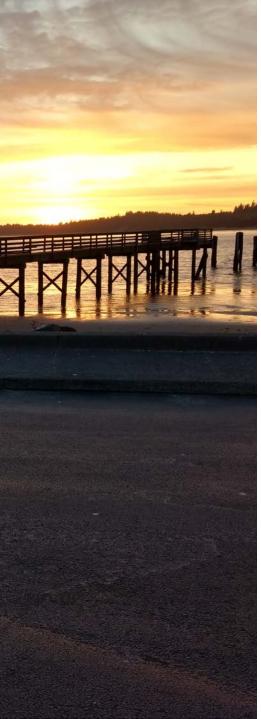

## OHSU Continuing Professional Development

- 14 CME conferences targeted at Primary Care Providers/year
- Physicians, Nurse Practitioners, Physician Assistants, Others
- Largely in the Portland metro area, with some Salem & Hood River activities
- OHSU CME Mission Statement is to focus on all Oregon practitioners
  - -96,000 mi<sup>2</sup> campus

CAHs: http://www.ohsu.edu/xd/outreach/oregon-rural-health/hospitals/cah.cfm

### South Coast

- ¹Population Coos County: 63,190
- ¹Overall growth rate, but age 55+
- <sup>1</sup>Transportation, homelessness and poverty remain key barriers to care.
- 1 Regional hospital, 2 Critical access hospitals, 5 Clinics
- 2 hrs to Riverbend / 4 hrs to OHSU
- Small teams

### **Eastern Oregon**

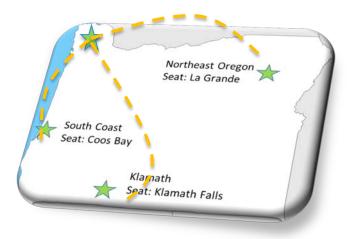

- 12 geographically isolated rural and frontier counties ~ 30% of Oregon
- 8 Critical Access Hospitals, 6 Federally Qualified Health Centers, 17 Rural Health Clinics, 1 Tribal Clinic
- No regional source for "in-person" continuing provider education
- 4+ hours to OHSU

## **Shared Vision**

To efficiently and effectively increase CE accessibility and audience size to rural and frontier providers.

## Satellite Conference Model

- Social interaction is important to learning
- Asking questions of the speaker is vital
- Integration into conference- not an add-on
- Conference experience

### **Details**

- Started small- one campus, one day session
  - March 17, 2017 Mental Health: Challenges &
     Treatment in Adult primary Care
  - -Live streamed to North Bend, OR
  - −14 providers live streamed in
- Second year, expanded to three satellite sites, two conferences
  - March 16, 2018 2<sup>nd</sup> Annual Mental Health:
     Challenges & Treatment in Adult Primary
     Care

March 9, 2018 Pediatric Mental Health:
 Equipping the Primary Care Provider

## Implementation, Portland Site

What Does It Take?
Identify Sites
Identify Conference
Arrange Registration
Create Media for Publicity
Handle CME credit
Create Evaluation

### Implementation, Satellite Sites

Wh	at D	oes	I# 7	Гal	(e?

Budget

Staff time

Meeting space with A/V

Catering

Advertising

Registration

In-room tech and participant support

**Evaluation Review** 

### Benefits to PDX site

Benefit	Attendees	Speakers	CPD
Broader Range of Questions	X	X	
Educational Reach is Broadened		X	X
Engagement with Statewide providers	X	X	X

## Benefits to Attendees & Community Benefits

Benefit	Providers / Clinics	Patients	Students
<ul> <li>Save Money</li> <li>Travel</li> <li>Hotel</li> <li>Food</li> <li>Conference \$</li> <li>Fewer pt appts missed</li> </ul>	X		
Less Time Out of Office	X	X	
Medical Best Practices	X	X	X

### **Evaluation Results**

#### Changes in Patient Care

- Better screening for depression
- Changes to medication management and treatment plan
- More open to considering adult ADHD
- Learned about other treatment modalities

#### **Conference Format**

- Really enjoyed the presentations
- Local facilitator was great!!
- Convenient location
- Good venue. Simple but organized.
- Audio glitches

### **Evaluation Results**

"All went rather smoothly, and ability to ask questions was impressive."

"Would not have been able to attend if it was not offered remotely. Thank you!"

"It was wonderful to have access to this content."

"It is easier to collaborate with local colleagues because more of us are able to attend."

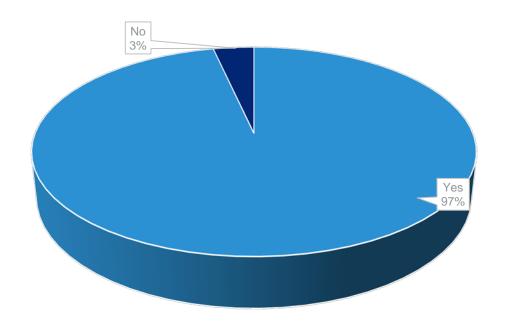

"Great presentations and close to home!"

### **Evaluation Results**

## Would you attend more CME activities in this format?

### Model 2.0

- Community Needs Assessment
- Streamline the question asking process
- Your thoughts?

## Thank You
