BICYCLE

Do you use or would you use a locker room and showers?

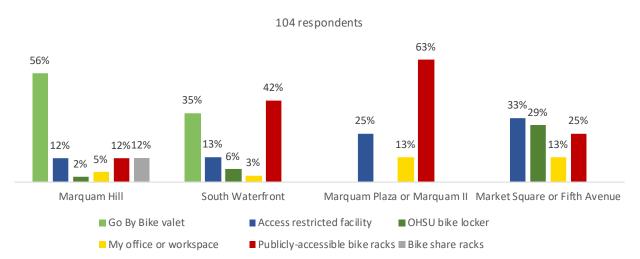

South Waterfront, despite having far and away the most secure and valet bike parking, has a very high rate of parking in non-secure areas according to this sample. This may mean more education and outreach on available options is necessary.

102 respondents

Marquam Hill South Waterfront Marquam Plaza Market Square or or Marquam II Fifth Avenue

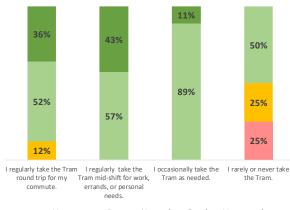

- I do not or would not need to use a locker room and/or shower facility at my worksite.
- I would use these facilities if available
- I currently use a locker room and/or shower.
