

# COMMUNICATION

The more recently someone began commuting to OHSU, the more likely they attended orientation, visited the OHSU website, and used Transportation and Parking publications to plan their commute. These employees are also more likely to seek information from a colleague and the least likely to call Transportation and Parking.

## What information about transportation and parking did you receive upon being hired at OHSU?

	More than 10 years ago	5 to 10 years ago	Between 6 months to 5 years ago	Within the past 6 months
New Employee Orientation	40%	65%	84%	94%
OHSU website	18%	41%	55%	58%
Printed information	6%	8%	12%	23%
Custom trip plan	1%	2%	5%	5%
Information from a colleague or friend	29%	42%	51%	47%
Information from a non-OHSU source	0%	7%	5%	5%
I didn't receive any information	24%	11%	5%	3%
Other (please specify)	22%	9%	4%	5%
