Dynamic carpools to match
your schedule and commute

Scoop

OHSU has partnered with Scoop to help commuters find just the right carpool. Scoop books your carpool from our community based on your route, schedule and personal preferences.

Is this the right program for you?

This program is recommended for anyone with scheduled travel to OHSU work sites during week day peak hours in the morning or afternoon.

Separate your AM and PM trips, ride or drive, and your ride home is guaranteed.

Save Over Driving Alone

Drivers earn a small fee; Riders pay a small fee. Pricing is dynamic depending on route, mileage and demand but never varies by more than a few dollars.

Pricing is set to help both drivers and riders save money over driving alone.
