

Telecommuting by work site

Telecommuting by work site

- Overall telecommuting is 2%. For Portland, telecommuting is 8%
- Full time telecommuters are concentrated in Fifth Ave Building and UMG. Largely happy with their, “commute.”
- On Marquam Hill, it is largely a secondary option. If we weren’t tracking secondary options, telecommuters would be nearly invisible.
- Back up is driving (51%)
- 30% have long term parking permits
