

AHEC Scholars – Qualifying Didactics

The below activities do not represent an exhaustive list of qualifying didactic opportunities for the AHEC Scholars program. It is intended to serve as a resource for possible ideas and activities. All activities must fall under one of the [six Core Topic](#) areas outlined by HRSA.

If you have questions about an activity qualifying or are experiencing difficulty obtaining your didactic hours, please contact Linda Martin-Stanger at ahec@ohsu.edu and/or your school or program contact.

General

- Case presentations (including your preparation time)
- Conferences, grand rounds, lectures, webinars, etc.
- Electives (non-experiential)
- Journal clubs
- Poster presentations
- Student club activities
