“Launching Newborn Screening for Lysosomal Storage Disease in Oregon State”

Amy Yang, M.D.
Assistance Professor
Molecular and Medical Genetics, OHSU

Target audience:
Physicians, scientists, genetic counselors, laboratory personnel and others with interest in molecular and medical genetics and genomics.

Learning Objective:
The learning objectives for the Department of Molecular and Medical Genetics Grand Rounds are to increase knowledge of fundamental mechanisms and pathways, new research findings and novel treatment methods in the science of medical genetics and genomics.

Accreditation:
Oregon Health & Science University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit:
OHSU School of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
