

Oregon Chapter of the Society for Neuroscience
MEETING

May 13-14, 2016

McMenamins Edgefield Winery

MINI-SYMPOSIUM ON THE NEUROSCIENCE OF ADDICTION

with

Bonnie Nagel, OHSU and
Barbara Sorg, Washington State University, Vancouver

KEYNOTE SPEAKER

Janet Neisewander

Arizona State University School of Life Sciences

***Macro effects of microRNAs
on addiction-related gene expression***

PLENARY SPEAKERS

Erik Zornik, Biology Department, Reed College

***Bottom-up signaling in a vertebrate vocal circuit: motor neurons
that mediate premotor rhythms***

Sean Speese, Jungers Center for Neuroscience Research, OHSU

***RNA granules - Nuclear export, intracellular transport,
and localized gene expression***

Dasa Zeithamova, Department of Psychology, University of Oregon

***Retrieval-mediated learning and memory integration
in the human hippocampus***

**AWARDS WILL BE PRESENTED FOR BEST STUDENT AND
POST-DOC POSTERS AND ORAL PRESENTATIONS
REGISTRATION AND ABSTRACT DEADLINE: APRIL 29, 2016
REGISTER AT: www.ohsu.edu/sfn**
