This course is designed for pediatricians, family physicians, and allied health professionals who provide care to children and adolescents. The focus will be on practical approaches to problems commonly seen in the office, as well as effective methods for improving the pediatric office visit.

At the conclusion of this course, participants should be able to:
- Understand research behind academic outcomes of children with cleft lip and palate
- Integrate updated recommendations for well child care from Bright Futures
- Acknowledge updated evidence in caring for newborns with jaundice
- Recognize treatment options for tic disorders and conversion disorders
- Review evidence based guidelines in caring for children with iron deficiency anemia
- Understand benefits of screening for suicide in primary care and counseling about drowning deaths

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 17.0 MOC points in the American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.
Location: The 14th Annual Doernbecher Pediatric Review and Sports Medicine Update will be held at the Sentinel Hotel at 614 SW 11th Ave, Portland.

Accommodations: For reservations, call the Sentinel Hotel directly at 888-246-5631 and be sure to mention your attendance at the 14th Annual Doernbecher Pediatric Review and Sports Medicine Update. Please make your reservations as soon as possible; the room block will be released on September 16, 2019 and is subject to sell-out prior to that date.

Tuition/Registration: The tuition is listed on the registration form. To help meet administrative costs, a $35.00 service charge will be assessed on all refund requests received by October 1, 2019. No refunds can be issued after that date. Early registration is encouraged as enrollment will be limited. Should conditions warrant, the sponsors reserve the right to cancel one or both programs with a full tuition refund.

Additional Information: For more information, contact the Division of Continuing Professional Development at 503 494-8700, e-mail cme@ohsu.edu or visit our website at www.ohsu.edu/som/cme. If you have a disability and require assistance to participate in this conference, please e-mail cme@ohsu.edu no later than twenty (20) business days before the meeting.

ACCREDITATION & CREDIT

The School of Medicine, Oregon Health & Science University (OHSU) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

American Medical Association: Oregon Health & Science University School of Medicine designates this educational activity for a maximum of 17.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians: Application for CME Credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Pharmacology Instruction: This activity includes 4.25 hours of pharmacology instruction.

**Dr. Cynthia Ferrell Keynote Lecture**

Please join us in honoring the memory of Dr. Cynthia Ferrell during the 2019 Doernbecher Review and Update. The inaugural Cynthia Ferrell Lecture will be given by Dr. Emily Gallagher, Craniofacial Specialist from Seattle Children's Hospital.

Please also save the date for the annual Dr. Cynthia Ferrell Foundation Fund-raise on Friday, October 18 at 7pm.

An evening of beer, wine, small bites and live music to celebrate Dr. Cynthia Ferrell’s life and contributions to the Department of Pediatrics. This event will help build the Dr. Cynthia Ferrell Endowment for resident career and personal development.

Can’t make it? We're sorry to miss you. Please consider a donation to the Dr. Cynthia Ferrell Endowment: [http://support.ohsufoundation.org/DCHV17C](http://support.ohsufoundation.org/DCHV17C)

*OHSU is an equal opportunity, affirmative action institution.*
