Registration
Registration includes continental breakfasts all three days, Friday lunch and dinner and all course materials. Early registration is encouraged since enrollment will be limited. To help meet administrative costs, a $35 service charge will be assessed on all refund requests received by Oct. 4; no refunds can be issued after that date. Should conditions warrant, the sponsors reserve the right to cancel this program with a full tuition refund.

Accreditation
Oregon Health & Science University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit
OHSU School of Medicine, designates this live activity for a maximum of 12.5AMA PRA Category 1 Credits.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Course objectives
• Identify symptoms of highlighted cardiovascular conditions discussed in the Salishan presentations.
• Develop an understanding of the recommended medical and interventional methods to treating patients’ cardiovascular indicators.
• Establish an approach to treating and managing the patient in these high-risk cardiovascular conditions.

Accreditation

Lodging and accommodations
The course will be held at Salishan Lodge at Gleneden Beach on the Oregon coast. To learn about the Lodge’s many amenities, visit www.salishan.com or call 800-452-2300.

A limited number of rooms are being held for conference participants. To ensure that you receive the conference rate, we encourage you to make your reservations early, and before the September 29, 2019 deadline. This may be done by calling the resort directly, or booking on the website. Be sure to mention the “OHSU Cardiology Conference”, or if booking online, type in the code “Cardio19”, then select “view more rates” to have the discounted rate applied.

Contact
For registration questions or more information, please contact Knight Cardiovascular Institute Education Office at 503-346-1126 or kcvicme@ohsu.edu.

6 p.m. KEYNOTE SPEAKER
Evaluation of Chest Pain in the PCP office: What is the right test and what do the results mean?
Sergio Fazio
Preventive Cardiology: the OHSU model
