We invite you to attend our Newly Diagnosed educational workshop, led by:

- Shannon Anderson, M.P.A.S., PA-C, OHSU Parkinson Center
- Dan and Pat Baker, a couple who have successfully lived with Parkinson’s disease for over a decade.

THE WORKSHOP ALLOWS YOU TO

- Learn from experts in PD
- Receive answers to your questions and concerns about living with PD
- Receive support and resources specific to people and families living with PD

REGISTRATION

- Sessions are offered monthly from 9:00 a.m. to 12:00 p.m. at the OHSU Parkinson Center on Marquam Hill. Visit our website to view the current schedule and register: tinyurl.com/NewParkinson
- We keep the workshops small (10 people/5 couples) in order to customize it to the questions and concerns of the attendees.
- Fee: $20 per person, which covers a light breakfast and resource materials.
- Workshops fill up quickly, and your place is not guaranteed until you complete your registration.
