The goal of this program is to engage scientific curiosity in the next generation of scientists, challenging qualified college undergraduates to consider basic science research-related careers and providing them with initial experiences required to be competitive for science related continued education and careers in the future.

THE CDCB SUMMER INTERNSHIP OFFERS:
• Direct hands-on experience in running basic lab techniques.
• An introduction to experimental design and critical thinking.
• Participation in a guided project facilitated by a departmental researcher.
• Development of written and oral communication skills.
• Various networking opportunities with a community of scientists.
• Both wet and dry lab experiences are available.

WHEN WILL THE INTERNSHIP TAKE PLACE?
Our internship program begins on Tuesday, June 2, 2020 and ends on Friday, August 7, 2020.
A later start date is available for those who get out of school later in the month.

WHERE WILL THE INTERNSHIP TAKE PLACE?
The Department of Cell, Developmental & Cancer Biology and Knight Cancer Institute Laboratories on the OHSU Marquam Hill and South Waterfront campuses in Portland, OR.

WHERE CAN I APPLY?
View departmental research and find the program application at www.ohsu.edu/cdcb. All application materials are due by February 14, 2020. No late applications will be accepted.

APPLICATIONS OPEN DECEMBER 16TH, 2019!
