Central Oregon’s Health Assessment & Health Improvement Plan: Collaboration for Healthier Communities
with Jenny Faith, PhD and Rebeckah Berry, MS, CHES

October 28th, 2019 5 pm – 7 pm
OSU-Cascades Graduate & Research Center (GRC) 209
650 SW Columbia Street
Bend, Oregon 97702

You are invited to join Central Oregon Research Coalition for a Community Education and Networking Event on October 28th! Join Jenny Faith, PhD, Regional Epidemiologist at Deschutes County Health Services and Rebeckah Berry, MS, CHES, Grants and Metrics Manager at the Central Oregon Health Council to learn about the newly completed 2019 Regional Health Assessment and the developing 2020-2023 Regional Health Improvement Plan, our regional blueprints to reinvest health funds back into Central Oregon communities.

5:00 pm: Welcome and Introductions
5:30 pm: Presentation: Central Oregon’s Health Assessment & Health Improvement Plan: Collaboration for Healthier Communities
6:00 pm: Discussion and Networking

To RSVP please email Sara Mishalanie mishalan@ohsu.edu
For more information about CORC please visit our website or contact Laura at camplaur@ohsu.edu

CORC Mission:
Connecting Central Oregonians to strengthen data-driven decision making and research-based practices to improve health and wellbeing.

CORC Vision:
Communities use data and research to inform decisions for a healthy and thriving Central Oregon.
