

COURSE DESCRIPTION

2020 marks the 27th Annual Internal Medicine Review, providing up-to-date clinical information and critical review of topics essential to internists and advanced practice providers.

In addition to a Literature Reviews on Cardiology and Nephrology, plenary topics include dementia, TB, gout, pulmonary disease, ADHD, melanoma, dermatology, and cardiovascular disease. Each day has breakout sessions, allowing attendees to select talks most pertinent to their individual practices.

At the conclusion of this conference, participants will be able to:

- Diagnose dementia, common diseases of the aging eye, chronic lower back pain, and various skin rashes.
- Appropriately monitor or treat dementia, common eye diseases, tuberculosis, and adult ADHD.
- Provide cardiovascular disease patients with nutritional advice and strategies while debunking common nutritional myths.
- Describe new medical science related to iron deficiency, gout, pulmonary disease, melanoma, cardiology and nephrology.
- Apply best practices in partnering with community pharmacists.

CREDIT

The School of Medicine, Oregon Health & Science University (OHSU), is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

American Medical Association: Oregon Health & Science University School of Medicine designates this live activity for a maximum of **14 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, including participation in the evaluation component, enables the participant to earn up to 14.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
