

Online Brain Tumor Support Group

Adult brain tumor patients and caregivers are welcome to join this new, free online support group to meet and talk with others facing similar challenges. OHSU medical and social work clinicians will be available to answer questions about general coping strategies for overcoming social and emotional problems frequently encountered by patients and their caregivers.

April 21 and May 5
10 a.m. - 11 a.m.

Register: Email BTSG@ohsu.edu
and we'll send you a link with
instructions on how to join.
