

WEBINAR

INTRODUCTION TO 2020 OREGON HPV VACCINATION WEEK

HPV CANCER PREVENTION STARTS WITH YOU

Presented by OPAHEC Interns
Kennedy Coy and Janeene Perry

Janeene and Kennedy are attending Western Oregon University, graduating with a bachelors of science in Community Health Education this Spring.

Kennedy (left) is dedicated to health education, and will begin a Graduate program at WOU for Education Information Technology. She aspires to be a Community Health Educator within rural Oregon.

Janeene's (right) main interest is in health inequities and disparities of American Indians and Alaskan Natives.

Target Audience: Physicians, Pharmacists, Nurse Practitioners, Physician Assistants, Nurses or any other staff who work with children, adolescents and their parents in primary care settings.

Area Health Education Center
a hosted agency of Samaritan Lebanon Community Hospital

Samaritan
Health Services

Building healthier communities together

Wednesday, June 3, 2020
11:00 AM - 12:00 PM PDT

This webinar will provide an overview of Oregon's HPV Vaccination Week.

You'll be able to:

- Understand goals and mission around Oregon HPV vaccination week
- Analyze data on HPV vaccination and HPV cancers in Oregon
- Access tools and resources to improve HPV vaccination rates
- Strategize participation in Oregon's HPV Vaccination Week and beyond
- Raise awareness on the importance of HPV vaccination in community

This activity is eligible for 1 CME credit.

Samaritan Health Services is accredited by the Oregon Medical Association to provide continuing medical education for physicians.

Samaritan Health Services designates this live activity for a maximum of one (1) AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The presenters and the planners of this program report that they have no conflicts of interest or relevant financial relationships with any commercial entities that might affect the contents of this presentation.
