

## Connecting to a WebEx Meeting with a Non-OHSU Account

1. The meeting coordinators will supply you with an URL to connect to the conference. Click on it to join the conference. The URL will look something like this:

<https://ohsu.webex.com/ohsu/j.php?MTID=m8023706fe3d0c189b91939b95e41ba4d>

2. The link will take you to the OHSU WebEx page. Download and install the app shown on the page.

3. Once the app has installed, enter your name, email address and password in the boxes on the page. Click next.

4. You can select your camera and audio source on the page below. You can mute your camera/microphone by pressing the muting button. The button will be red when your device is muted. To join the meeting, press the “join meeting” button.
