# Program Mission

The mission of the Community Partnership Program is to work hand in hand with Oregon communities as allies in the Knight Cancer Institute’s efforts to end cancer as we know it. We will:

<table>
<thead>
<tr>
<th>Support</th>
<th>Enhance</th>
<th>Foster</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Oregon communities in understanding and addressing their most pressing cancer-related needs and cancer health disparities.</td>
<td>• Collaboration between Oregon communities and OHSU to address cancer in Oregon.</td>
<td>• Skills and abilities of communities to enhance long-term sustainability.</td>
</tr>
</tbody>
</table>

Request for Proposals — SPECIAL CALL

August 2020-2
SPECIAL CALL

Funding amount: up to $15,000

• Seeking proposals responding to community needs related to the novel coronavirus (COVID-19)
• Three priority areas for funding, each to receive equal consideration for funding

Priority areas:
• Impacts of COVID-19 and its intersection with cancer, such as impacts on cancer prevention, screening, and/or survivorship (including treatment)

• Impacts of COVID-19 in relation to social determinants of health, including factors that:
  o may lead to an increased risk of COVID-19 infection and/or severe COVID-19 related illness, or
  o impact access to testing, treatment, and/or follow-up care

• Impacts of COVID-19 on populations and communities that can be disproportionally affected such as certain racial/ethnic groups (e.g. Black/African American, LatinX, American Indian/ Alaskan Native, Pacific Islander, other), refugees, immigrants, disabled, and/or rural communities
SPECIAL CALL

Project examples:
• COVID-19 testing or activities that facilitate testing
• Education or outreach
• Logistical/programmatic support
• Transportation or services that improve access to care

Who should apply?
Organizations that:
• Are committed to addressing a particular COVID-19-related issue in an Oregon community.
• Have a strong interest in improving the health outcomes of a specific Oregon population impacted by social determinants of health.

No previous experience in cancer or public health is necessary. Funding may be used to support the expansion of existing COVID-19-related efforts that address at least one of the identified priority areas.
Eligibility

- Individuals affiliated with community groups/organizations, schools, government bodies, health/medical clinics, health systems or businesses
- Applicants from academic institutions/universities are required to partner with a local community-based organization
- CPP may limit number of grants to an organization, and may prioritize applications addressing social determinants of health or geographic areas not covered in other proposals

Ineligible:

- OHSU employees, students, divisions, or departments
- Individuals not associated with a community organization
- Grantees (individuals) with two active grants
- Projects focused or organizations based outside of Oregon
- Projects proposing research that directly benefits OHSU or an OHSU affiliated individual/department
Human Subjects Protection

• Not accepting proposals that would be considered research by an Institutional Review Board (IRB)

• **Research**: A systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge

• Examples of research activities provided in RFP

• Contact us with any questions
