

OHSU Health Services has applied clinical edits to applicable HCPC codes for Ostomy and Urological supplies. These changes are aligned with Oregon Administrative Rules (OAR's) and Oregon Health Authority guidelines. If the HCPC codes listed below are billed within the allotted quantity limits, then a prior authorization is not required.

These changes are effective July 1, 2020.

OSTOMY SUPPLIES:

For additional information on the guidelines, please review OAR 410-122-0540 or click [here](#).

Maximum Quantity of Ostomy Supplies – Monthly Basis:

Code	#/Mos.	Code	#/Mos.
A4357	2	A4432	20
A4362	20	A4433	20
A4364	4	A4434	20
A4367	1	A4450	40
A4369	2	A4452	40
