ANTICIPATING AND ADDRESSING THE BEHAVIORAL HEALTH IMPACTS OF COVID-19

BY SUSAN HEDLUND, MSW, LCSW, OSW-C

This is the first presentation of a five part series. To register and learn more about CE credits, click [HERE](#).

Friday, September 25, 2020

12:00-1:00PM

Via WebEx: Click [HERE](#) to join us!

Objectives:

- To consider the mental/behavioral health impact of the coronavirus pandemic
- To learn strategies to proactively assist vulnerable people
- To learn from previous disaster response about interventions for survivors

Additional Notes:

- Q+A - There will be a 15 minute Q+A session at the end of this presentation. We encourage you to email questions for Susan Hedlund to helmme@ohsu.edu by Monday, September 21, and we will discuss them during this time.
- WebEx Tips - Please be sure that your audio and video are muted/turned off when you join. Once the presentation begins, you may select the "View" tab at the top of the screen, and then select "Hide Non-Video Participants" at the very bottom of the drop down. You may also make additional viewing adjustments by clicking the small grey box at the top right hand corner of the screen.

We look forward to seeing you there!
