

# ADMINISTRATIVE FELLOWSHIP

OHSU DEPARTMENT OF EMERGENCY MEDICINE

OHSU Emergency Medicine is accepting applications for its Administrative Fellowship. Emergency departments have a growing need for residency-trained, emergency physicians to fill both clinical and leadership roles. This fellowship is designed for emergency medicine residency graduates who wish to pursue graduate education and training in healthcare management and have a strong interest in fulfilling the role of an emergency department clinical director.

## Fellow will receive hands on training and education in:

- Leadership roles in ED Operations and Quality Improvement
- Healthcare informatics, metrics and key performance indicators
- LEAN methodology, continuous process improvement, creating and maintaining standard work
- ACEP Emergency Department Directors Academy Phase I. Graduates of this unique program will receive a certificate of completion documenting their pursuit of excellence and participation in specialized management training
- Complete and present quality improvement project(s)
- Value based care initiatives and population health
- OHSU/PSU MBA in healthcare management program or similar master's or certificate program

## Qualifications:

- Board certified or board eligible in Emergency Medicine (residency trained)
- Interest in obtaining an MBA in healthcare management or similar master's or certificate program
- Two year commitment to complete the fellowship. The associated MBA program requires an additional year to complete independent of the fellowship.
