

Established in 2010, the Legacy Faculty Award is presented to a longtime faculty member who has worked or is still currently working at the OHSU School of Dentistry and who has demonstrated a commitment to educating and mentoring the next generation of dental professionals. OHSU alumni and community members are encouraged to submit nominations, which are reviewed and selected by the OHSU School of Dentistry Alumni Association's Awards Committee and endorsed by the School of Dentistry Alumni Association Board of Directors. Nominations remain active for three years.
