^{*}Entering class size: Number of students newly enrolled for the admission cycle PLUS number of students who are reentering from a different cohort.

Please Note: In response to the challenges of COVID 19, Oregon Health and Science University has made the decision to reduce the class size of all academic programs for the incoming 2021 academic year. There is no reduction in staffing, support or services.

^{**}Attrition rate calculation: Number of students who attritted from cohort divided by the entering class size. The number of students from the entering class who did not complete the program with the rest of the cohort, either due to leave of absence, deceleration, dismissal, or withdrawal.

 $[\]ensuremath{^{***}\mathsf{Graduation}}$ rate: Number of cohort graduates divided by the entering class size.
