

## COVID-19 Vaccine Transportation Resources – Columbia, Clatsop & Tillamook County Areas

The Oregon Health Authority, local public health agencies, and health systems are working quickly to build COVID-19 vaccination events in order to vaccinate as many Oregonians as possible. They may need to rely on non-emergent medical transportation (NEMT) or other transportation options to access vaccination event sites.

### Medicaid NEMT

For those members enrolled in the Oregon Health Plan (OHP), either with a Coordinated Care Organization (CCO) or as a Fee for Service (often known as “open card”) member, the transportation options include:

Medicaid Insurance Plan	Brokerage Name	Brokerage Phone
<b>Columbia Pacific CCO</b>	NW Rides	503-861-0657 888-793-0439 TTY: 711
<b>OHP Fee For Service</b>	NW Med-Link	833-585-4221

### Other Transportation Options

For individuals not enrolled in OHP, who still need transportation assistance, there are other options. These include:

## Things to Remember When Getting Ready for Your COVID-10 Vaccine Appointments

NEMT is best and most successful when supporting individuals to scheduled appointment times for COVID-19 vaccine locations.

Depending on the number of individuals with appointments, members could experience longer than expected waits. All individuals getting vaccinated need to wait after the dose is given to see if there are any side effects. The amount of time someone may need to wait after the vaccine dose could be 15-30 minutes, in addition to the amount of time it takes to check-in get through the line.

If there are long wait times, please encourage individuals to:

- **Dress warmly and in layers.** Keep in mind jackets and coats will need to be removed, and long sleeves rolled up, for the vaccine to be provided.
- **Don't forget your mask.** Masks are required so please remember to bring yours to your appointment.
- **Bring food/water.** Those with medical conditions worsened by long periods without food or water may need to bring something along on the trip.
- **Medication.** Individuals may wish to bring medication that needs to be taken at a certain time, if having to stay longer could mean missing a dose.
