

Oregon Health & Science University's General Grievance and Complaint Procedures

Each OHSU academic program has existing grievance and complaint processes for students. Contact your academic department for information regarding the specific policy and process. In addition to the OHSU grievance and complaint processes, if you have a complaint about your educational experience with OHSU, you may also contact the [Northwest Commission on Colleges and Universities](#), which is OHSU's accrediting agency, or the [Oregon Department of Justice](#).

Students residing outside of Oregon who are taking online courses should follow the [Out-of-State Authorization](#) complaint process which includes a link to a list of consumer protection agencies by state.
