

M.D./Ph.D. Internal Transfer Addendum

Please include this completed addendum with your internal transfer application to mdphdadmin@ohsu.edu.

300 word limit per essay

What specifically about the OHSU M.D./Ph.D. program interests you?

Please list 3-5 faculty members at OHSU whose research interests you. Please add a very brief statement for each faculty member explaining why. If possible, your research interview will be pulled from this list of faculty. Please disclose if you have worked with or are associated with any faculty members listed.

Thinking about one of your research projects, how could the results affect the way we diagnose and treat patients? If your research is non-biomedical, describe how it advances scientific knowledge.

Please list publications that have been published or submitted & pending. Please note your authorship and a brief description of your contribution to each publication. If possible, please provide a link to your direct online bibliography in pubmed or other online source. Do not list anything that is in the process of being written. Write N/A if nothing has been submitted or published.

Please list successful grants, poster presentations, or invited speaking engagements. Write N/A if you nothing has been awarded or presented.

Please review graduate programs available to OHSU M.D./Ph.D. students and list the program(s) at OHSU that you are most interested in. Review programs here:
<http://ohsu.edu/school-of-medicine/md-phd-program/graduate-programs-md/phd>

If you did not originally apply to the OHSU M.D./Ph.D. program, please explain why you are now applying. If you have previously applied, please explain why you think you are a stronger candidate now.
