OHSU CAMPUS SERVICES RV Parking

Reservations are able to accommodate an RV and one additional non-recreational vehicle in the designated RV parking area. Any additional vehicles will be directed to the designated patient parking areas.

Reservations will accommodate a several day hospital stay. Single day appointment visits and extended periods of treatment requiring a long-term stay should plan to make alternative accommodations outside of the RV lot due to the limited space and compact nature of the lots.

If no space is available, the reservation contact will be directed to a list of nearby RV parks for alternative arrangements:

- Columbia River RV
- Jantzen Beach RV Park
- Roamer's Rest RV Park
- Clackamette RV Park
- Pheasant Ridge Recreational Vehicle Resort

No-Show

If the reservation contact or patient does not arrive on the date of their reservation and they have not updated their reservation at least three days in advance of arrival, the site will be held for one business day. At that time the reservation will be cancelled.
