## RLSB/SKT Wayfinding Document

### Access/ID Badges

RLSB and Skourtes Tower house many different programs and functions. In order to provide access but maintain the integrity of the different programs and functions, students are required to wear their OHSU ID Badge to access areas and navigate around the building.

Wearing your ID Badge is critical in RLSB/SKT. Not only does it identify you as someone who belongs but it is also your key to many access points in the building. Access allows you to get into the RLSB and parts of the SKT after-hours. It allows for access to clinical floors, simulation and wet/dry labs, as well as access to the Student Lounge and Learning Resource Center.

### Building Hours

RLSB is open to the general public from the hours of 7:00 am to 10:00 pm Monday through Friday and from 8:00 am to 5:00 pm on Saturdays. The building is closed to the general public on Sundays. There are two after-hours entrances to RLSB accessible by ID badge: one each on the NW and SE corners of the RLSB atrium. Access to the SKT patient entrance is available from 7:30 am to 5:30 pm Monday through Friday but closed otherwise.

NOTE: outside these building hours there is no AC/heat per the building energy plan. Plan your attire accordingly.
