

# Neurological Surgery Virtual Sub-Internship

Events for Medical Students Interested in Neurosurgery

## Upcoming Virtual Events

Thursday, Sep. 9	7-9am
Monday, Sept. 13	750-830 am
Thursday, Sept. 16	7-9am
Thursday, Sept. 16	5-6pm
Tuesday, Sept. 21	4-5pm
Thursday, Sept. 23	7-9 am
Friday, Sept. 24	1-4 pm

Times indicated above are listed in Pacific Standard Time (PST)

Join us for a glance into the OHSU neurosurgery residency program. Lectures will include weekly conferences with our residents and topic overviews with our faculty. Meet with our program leadership and Chair to learn more about what makes our program unique. Hear about our residents' current research activities or listen in on our monthly conference discussing landmark papers in neurosurgery. A special neuroanatomy session with our chair, Dr. Selden, will start off our first week of virtual events. The last event will be an OHSU GME Virtual Diversity Open House on Sept. 24.

Sign up for one session or join us for all. Follow the QR link below in order to sign up and receive the conference information.

Do you have additional questions about our program? Please reach out to our NSG Education Team at [nsgeducation@ohsu.edu](mailto:nsgeducation@ohsu.edu) or call 503-494-6207.
