

Virtual Diversity Open House: OHSU GME Programs

You are invited to attend OHSU's GME Residency Diversity Open House

Oregon Health & Science University is Oregon's only academic health center and is nationally distinguished as a research university dedicated to advancing health sciences. Graduate Medical Education (GME) is one of the central missions of Oregon Health & Science University and offers [87 fields of medicine](#).

Save the date!

This GME virtual Open House will serve to answer questions for 3rd and 4th year medical students from underrepresented and diverse backgrounds who are considering applying to OHSU. We also extend an invitation to medical students who have an interest in health disparities, equity, and diversity.

This open house will be hosted virtually and login information will be included in the calendar invitation. Please email us at gme@ohsu.edu with any questions.

, Sept 23, 2023

1PM – 4PM PST
