

Dear USSAAC members,

Happy AAC Awareness Month!!

By now I hope you are aware of the *Amplifying AAC Voices* Campaign, designed specifically to provide people who rely on AAC more opportunities to be heard in college courses, at conferences, as

consultants, in meetings, at the table, during policy-making activities, and the like.

Our initial fundraising activity, USSAAC's virtual silent auction, is designed to involve the broader community within and beyond USSAAC members *and* to fund the costs of establishing and maintaining the AAC Speaker Connection (<https://speaker.ussaac.org/>).

The auction launch is October 1 and runs through October 15! Please follow these instructions to establish an account and bid via your phone! You'll also be able to see the exciting catalog of items - guest webinars, artwork by AAC users and helpers, conference registrations, parent guides, vacation getaways, equipped iPads, autographed books by AAC users and AAC experts, and more! This is also a once-in-a-lifetime opportunity to add to your own personal AAC bling. [Register here to bid.](#)

Help make the auction fun and a success via your social media; feel free to [download the auction promo graphic.](#)

We hope you have the winning bid on the items you want!
