Student guide to immunizations and certifications
Required immunizations and certifications

What you need to know about compliance and immunization requirements

All OHSU students are required to provide documentation regarding the completion of their immunization, background check, drug screen, required trainings and related compliance records prior to each term.

The School of Nursing uses a vendor called American DataBank also known as Complio to help students track, access and maintain their immunization and compliance records throughout their academic program. This web-based database allows students to access their immunization and compliance records from a computer and gives students the ability to update and download their compliance “passport” at their convenience. This system also automatically notifies students when immunization or compliance records are expiring so that students can update their records as needed.

This brochure contains details about how to complete the immunization and certification requirements which must be completed prior to registering for classes each term. Please review these materials closely and complete the required items today.

Ticket to registration

New students must submit all required items prior to matriculation. Students will not be allowed to register for courses until all compliance and immunization requirements are met. Students are required to maintain their compliance and immunizations throughout their program. Any student that is identified as non-compliant after the following deadlines will have a registration hold placed on their account for the following term:

- Fall term deadline for required items: September 22
- Winter term deadline for required items: December 29
- Spring term deadline for required items: March 23
- Summer term deadline for required items: June 23

If you are missing required items please provide your materials before the dates listed above so that you do not have a registration hold placed on your account.

Clinical agency requirements

Students placed at clinical agencies are required to provide their immunization and compliance materials prior to being placed in that setting. Your program faculty and staff may halt your attendance in clinical coursework at any time if your immunization and clinical requirements have not been met.

Getting started checklist

1. Create your Complio account

Go to: ohsunursingcompliance.com and place your order for the Compliance Account Subscription, background check and 10-Panel Drug Screen, and the immunization tracking package. Once you have placed your order, Complio will set up your immunization tracking account and mail or email you the required paperwork for your background check and drug screen. Complio will provide you with your user name and password via email. Please allow one to two business days to receive your user ID and password.

2. Gather your immunization records

Review the immunization requirements at the following link: https://www.ohsu.edu/xd/education/schools/school-of-nursing/students/compliance.cfm and gather your records. See your doctor to receive appropriate immunization updates and documentation. Upload your immunization documents directly to Complio via https://ohsu.complio.com

3. Submit materials

When you receive your drug screen and background check documents, follow all the instructions found in the packet and respond accordingly. Please complete and submit materials immediately upon receipt. Note: background checks can take up to three months so start this process immediately.

Maintaining your compliance status

Load your documents and track your compliance

- Log into the system at ohsunursingcompliance.com with your e-mail and password.
- Provide all supporting documentation (certificates of completion, copies of trainings and certifications, forms, medical records, etc.) to Complio. You may upload the documents directly to your Complio account through ohsu.complio.com.

View your clinical "passport"

- You can print your clinical passport at any time to show that you have met the requirements to be in that setting and are eligible to attend class. When you are logged into your account click on the Report Tab on the left side of your profile to open this item. Your passport also provides a quick way to see what items may be expiring soon or what may need to be updated right away.

Don't wait to update

- Many required items need to be renewed on an annual basis. It is important that students follow up with any notifications that they receive from Complio regarding any items that are expiring or have not yet been completed.
- Students receiving notifications concerning missing items from Complio or non-compliance from OHSU administrators must follow up immediately or risk being pulled from clinical coursework or having a registration hold placed on their account.

COVID-19 Vaccination Policy

OHSU's final COVID-19 Immunizations and Education policy was approved by the Policy Advisory Committee and signed by President Jacobs Tuesday, Oct. 13, 2021. This means that OHSU now requires that all members, including students, be fully vaccinated against COVID-19 before starting their program. ‘Fully vaccinated’ means you have received both doses of a two-dose COVID-19 vaccine, or one dose of a single-dose COVID-19 vaccine, and that at least 14 days have passed since your final dose of the COVID-19 vaccine was issued before starting the program. This definition may be modified to include subsequent boosters and/or additional doses as recommended by the CDC.

Vaccination requirements

<table>
<thead>
<tr>
<th>Requirements</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Td series and booster  (Tetanus/Diphtheria - Tdap)</td>
<td>Childhood series with date of completion and date of booster in last 10 years. Was booster a Tdap? Tdap required if ≥2 years since last Td booster</td>
</tr>
<tr>
<td>Polio series</td>
<td>Childhood series with date of completion; adult booster date if received</td>
</tr>
<tr>
<td>Measles (Rubella)</td>
<td>Dates of two (measles or MMR) vaccines or positive titer; must submit copy of result</td>
</tr>
<tr>
<td>Mumps</td>
<td>Dates of two (mumps or MMR) vaccines or positive titer; must submit copy of result</td>
</tr>
<tr>
<td>Rubella</td>
<td>Date of one (rubella or MMR) vaccine or positive titer; must submit copy of result</td>
</tr>
<tr>
<td>Hepatitis B</td>
<td>Evidence and dates of series of three Hepatitis B vaccines and positive Hepatitis B surface antibody titer if series is complete; must submit copy of titer result or evidence of prior infection. Hep B suggested schedule: Give 3 doses on a 0, 1, 6m schedule. • There must be at least 4 weeks between doses 1 and 2, and at least 8 weeks between doses 2 and 3. Overall, there must be at least 16 weeks between doses 1 and 3. • Schedule for those who have fallen behind: If the series is delayed between doses, DO NOT start the series over. Continue from where the schedule was interrupted. • Once series is complete you must wait at least 5 weeks before having titer drawn to show immunity.</td>
</tr>
<tr>
<td>Varicella</td>
<td>Evidence and dates of two Varicella vaccines; positive titer (must submit copy of result).</td>
</tr>
<tr>
<td>TB skin testing (TST or PPD)</td>
<td>• If you have had annual testing submit your annual TST records showing two tests no greater than (often called PPD) 12 months apart with the most recent done within 12 months of matriculation. • If you have not had annual TST’s complete two-step TB testing: two TB tests 1-3 weeks apart with the second test completed within 12 months of matriculation. • If you have had a positive test submit a chest x-ray report and INH history. If you have had BCG vaccine, obtain Quantiferon TB Gold blood test and submit result. If positive, consider taking INH Preventive Therapy. You will need annual TB clearance while at OHSU.</td>
</tr>
<tr>
<td>COVID-19 Vaccination</td>
<td>Received both doses of a two-dose COVID-19 vaccine, or one dose of a single-dose COVID-19 vaccine, and that at least 14 days have passed since your final dose of the COVID-19 vaccine was issued before starting the program.</td>
</tr>
</tbody>
</table>

Note: This information is subject to change each year. Please go to the School of Nursing Compliance Page to review up to date immunization requirements https://www.ohsu.edu/xd/education/schools/school-of-nursing/students/compliance.cfm.

Clinical settings may have additional background check, drug screen and immunization requirements other than what are identified here. Students will receive information regarding additional requirements if needed.

Infectious diseases: Students who are infected with Hepatitis B (HBV), Hepatitis C (HCV) or Human Immunodeficiency Virus (HIV) must be aware of the Society for Healthcare Epidemiology of America (SHEA) and Centers for Disease Control (CDC) guidelines and stipulations around safe practice. Students in this category must contact the Student Health Service for a private consultation around the ability to progress successfully through the clinical aspect of the program. This consultation is confidential and the Student Health staff will make recommendations for precautionary procedures that ensure your ability to provide safe healthcare delivery.
How to set up your Complio account

1. Go to ohsunursingcheck.com.
   If you’re a new user, click on “New Users – Create an Account” in the top right hand corner of the page. Follow the steps to create your account.

2. Once you create your account, you will receive an email with an activation link.
   Follow this link to log into your account. If you do not click on this link, your account will not be activated.

3. Watch the video and click “Get Started.”
   You will be prompted to begin your order.

4. Make selections
   Select your entry term, program of study and campus from the dropdowns that appear on the order screen. Then click “Load Packages.”

5. Choose the appropriate package(s) for your program.
   The price of any packages ordered will be displayed as you select them.
   *If you are unsure of which package(s) to order, please reach out to the Compliance Officer.

6. Ordering a drug screening
   If you’re ordering a drug screening, please review the process and procedures at the top of Step 2??.

7. Review the order information as well as personal information to make sure everything is entered correctly.
   You will be prompted to read and sign the disclosure and authorization form before you complete your order.

8. After your order is processed by our team, your account will be active.

9. From the home page of your Complio account, click “Upload Documents” on the upper right hand side of the screen.

   Pro tip: Take the time to label your documents so you can easily tell what each PDF shows. This will make associating the documents much easier!

Drug screening information

After you have completed your online order application, American Databank will email or mail you a chain of custody form and an approved drug screen location. This usually takes 5-7 business days after placing your online order.

- Please contact the Quest Diagnostics Patient Service Center to schedule an appointment for your drug screen.
- Be sure to bring you chain of custody form and photo identification to your appointment.
- At the facility, if you are not able to produce a urine sample when requested, call ADB at 1-800-200-0853 on how to proceed.
- The lab will run extensive tests to verify if the drug screen is negative/positive/dilute.
  - For negative results: A fax is sent from Quest to American Databank to input the results.
  - For dilute results: You must contact American DataBank at 1-800-200-0853 for further instruction.
  - For positive results: The results are forwarded to the medical review office who will contact you for verification of any prescription drug you may be taking to show a false positive. After discussion, the medical review office will send a fax to American DataBank who will input the results and close the order. If the order is positive the Medical Review Office will list the drug that is positive. Most drug screen results are returned within 24-48 hours after the specimen has been collected.

For additional questions please call American DataBank at 1-800-200-0853.

Criminal background check and immunization tracking

4. Make selections
   Select your entry term, program of study and campus from the dropdowns that appear on the order screen. Then click “Load Packages.”

5. Choose the appropriate package(s) for your program.
   The price of any packages ordered will be displayed as you select them.
   *If you are unsure of which package(s) to order, please reach out to the Compliance Officer.

6. Ordering a drug screening
   If you’re ordering a drug screening, please review the process and procedures at the top of Step 2??.

7. Review the order information as well as personal information to make sure everything is entered correctly.
   You will be prompted to read and sign the disclosure and authorization form before you complete your order.

8. After your order is processed by our team, your account will be active.

Uploading documents

Each time you login, Complio will remind you which categories are still not compliant. It will also show you if you have any categories that will expire soon.

To label your documents, you can use the Complio library to easily find the specific documents you need to upload. You can also associate the same document to more than one requirement.

Pro tip: Take the time to label your documents so you can easily tell what each PDF shows. This will make associating the documents much easier!
10. Return to your home page, where you will see the list of requirements.

11. Click "Enter Requirements" on the right side and indicate which required items you are submitting.
You will see what steps are required to become compliant for each category as soon as you click "Enter Requirements".

12. Choose the documents from your document library that should be associated with each item.
You may also upload these individually into the category as well.

13. You may need to submit multiple items for a single compliance category.
You may also assign the same document to multiple items.

14. Enter the details required for each item – date, results, etc.

15. Documents are reviewed within 1-3 business days.
Be sure to submit documents at least 3 business days prior to the deadline.

16. Don't forget to click "Submit"!
Once you have submitted your documentation for review, the red X on the left side of your home screen will become a yellow exclamation point.
A yellow exclamation point indicates your document is pending review.

17. American DataBank will review your documents to ensure they meet your University's standards.
Once American DataBank reviews your documents, each category will have either a green check mark or a red X next to it.
A green check mark means the category is compliant.
A red X means the category is not compliant.
If your document doesn't meet the requirements, you will receive a notification from Complio with an explanation.
If you have any questions about what information your documents need to have in order to be approved, please click on "Requirement Explanation," at the top of your screen.

18. Your account will show all green check marks once you are fully compliant.

Questions
American DataBank is always happy to help. You may call, email, or message them with any questions or concerns you have about Complio, your account, or your status.
