2022-23 CHILD CARE PROVIDER STATEMENT

Dependent care expenses may be taken into consideration as educational costs. If you are incurring these expenses, complete this form at any time during the academic year to request a financial aid review and possible budget increase for these costs. Increased funding will be offered as available based on individual student eligibility and in accordance with federal, state, and institutional regulations or policies.

**Institutional policy does dictate maximum amounts for budget increases.** The maximum amounts allowed are included in the ‘Student Financial Aid Explained’ document on the www.ohsu.edu/finaid webpage. Please do not use this form to report your child support payments. We are unable to provide child care costs adjustments if the provider is the parent or legal guardian of the child.
