

Rubric for FD Summit Proposal Scoring

Your name (reviewer): _____

Proposal title: _____

Based on the proposal you are reviewing, rate your agreement with the following statements from "Strongly agree (4)" to "Strongly disagree (1)":

Categories	Ideal	Strongly Agree (4)	Agree (3)	Slightly disagree (2)	Strongly disagree (1)
<i>Focus:</i>	The target audience for this approach/program/initiative is clearly stated.				
	The need or gap related to this approach is clearly stated.				
<i>Methods:</i>	The methods or program design are appropriate to the focus.				
<i>Results:</i>	There has been, or there is potential for, significant results/impact within the specific department.				
<i>Replicability:</i>	The approach would be relevant to other departments.				
	The approach would be feasible for departments with limited resources.				
<i>Anti-racism and Equity:</i>	The approach specifically seeks to overcome obstacles and disadvantages for faculty underrepresented in medicine, and/or ensures equitable participation and outcomes.
