# Long COVID & Fatiguing Illness Recovery Program ECHO

Thursday, February 10, 2022 12:00 - 1:00 pm PT

(continuing on the 2nd Thursday of each month)

# **Neurocognitive Manifestations of PASC**

Michelle Haddad, PhD
Assistant Professor, Department of Rehabilitation Medicine
Emory University School of Medicine

Family Health Centers of San Diego, the ECHO Institute, University of Washington, and University of Colorado have collaborated to provide a CDC-funded monthly webinar-style ECHO learning session to rapidly disseminate Post-acute Sequelae of SARS-COV-2 infection (PASC) and Myalgic Encephalomyelitis/Chronic Fatigue Syndrome (ME/CFS) findings and emerging best practices. This large-scale national monthly ECHO webinar series will offer didactic presentations by subject matter experts, examples of emerging best practices and models of care, and a facilitated Q&A. This program is open to all healthcare professionals and all Long COVID and ME/CFS patient-lived experience experts interested in learning more about the treatment of Long COVID and ME/CFS.

## To register for a session

**Click Here** 

Join us for upcoming sessions:

- 3/10 Pulmonary Manifestations
- 4/14 Autonomic/Cardiac Manifestations
  - 5/12 History of ME/CFS
  - 6/9 ME/CFS Patient Perspective

Please contact <u>LCecho@salud.unm.edu</u> with any questions.

To view previous webinar recordings and resources please visit the <u>LC&FIRP Webpage</u>

In support of improving patient care, Project ECHO® is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### **AMA Designation Statement**

Project ECHO® designates this live activity for a maximum of 1.0 AMA PRA Category 1 CreditsTM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ACPE Designation Statement

This activity will provide pharmacists up to 1.0 contact hour. UAN JA4008231-0000-22-051-L01-P has been assigned to this Knowledge based program for Pharmacists. CE credit information, based on verification of live attendance and completion of the program evaluation, will be provided to NABP within 60 days after the activity completion.

ANCC Designation Statement

Project ECHO® designates this live activity for a maximum of 1.0 ANCC contact hour. Nursing contact hours will be awarded for successful completion of program components based upon documented attendance and completion of evaluation.
