2022 Forum on Aging in Rural Oregon

Please consider partnering with us to deliver the 2022 Virtual Series: Forum on Aging in Rural Oregon!

The Oregon Office of Rural Health (ORH) is pleased to announce that its 2022 Forum on Aging in Rural Oregon will be held *in-person* in Seaside, OR May 16-18. This coming year's Forum will bring together stakeholders to discuss issues related to aging in *rural* Oregon. Rural challenges require rural solutions, and this Forum brings people together to share those ideas and solutions.

Your partnership donation will:

1. Help us continue to offer the Forum this year and in years to come; and
2. Showcase your organization as a keystone of our rural aging educational efforts.

Partnership looks different this year! We want you to select the partnership options that works best for you.

ORH is grateful for your support!

Each partnership level is accompanied with ways to represent your organization.
