- Enrichment

Include
- Recruitment
- Retention
- Resources and Related Support

Empower
- Enablement
- Extension to the Community
- Evaluation
• **Goal 1: BELONG** – The School of Medicine will create and foster a learning and working environment that welcomes, celebrates and supports all learners, staff, faculty, leaders and community members, especially persons from marginalized groups who historically are under-represented in medicine and the biomedical sciences.

• **Goal 2: INCLUDE** – The School of Medicine will recruit, admit, hire, mentor, support, retain, graduate, advance and promote individuals who are representative of the increasingly diverse population of Oregon and the nation.

• **Goal 3: EMPOWER** – The School of Medicine will commit to achieving a more just and equitable world by embracing a social mission that leverages its resources and expertise to aid underserved populations and reduce health disparities.
Goal 1 - Belong

• **Objective 1.1 – Education and Training (eight tactics)**
  • The School of Medicine will work with knowledgeable experts and leverage its expertise in education and faculty development to educate and train students, residents and fellows, post-docs, staff, faculty, administrative leaders and community members on topics and issues related to diversity, equity, inclusion, anti-racism and social justice.

• **Objective 1.2 – Engagement (six tactics)**
  • The School of Medicine will commit to ongoing engagement and support of diverse students, residents and fellows, post-docs, staff and faculty to address inequities, enhance the climate and amplify the collective voice of representatives from historically under-represented groups and underserved communities.

• **Objective 1.3 – Enrichment (five tactics)**
  • The School of Medicine will lead efforts to enrich the experience of all our members and stakeholders by celebrating, communicating and prioritizing events and opportunities that focus on DEI and anti-racism.
Goal 2 - Include

- **Objective 2.1 – Recruitment (20 tactics)**
  - The School of Medicine will increase the recruitment of diverse students, residents and fellows, post-docs, staff, faculty and administrative leaders so that the School of Medicine better reflects and responds to the communities we serve in Oregon and the nation.

- **Objective 2.2 – Retention (11 tactics)**
  - The School of Medicine will build and grow effective initiatives that promote inclusion and that equitably advance the careers and professional endeavors of our diverse students, house officers, post-docs, staff and faculty.

- **Objective 2.3 – Resources and Related Support (five tactics)**
  - The School of Medicine will supply the necessary resources to achieve the goals and objectives outlined in this plan.
Goal 3 - Empower

• **Objective 3.1 – Enablement (six tactics)**
  • The School of Medicine will enable this plan by creating systems and structures that aid in meeting the plan’s objectives. This will include a clearly defined organizational structure with levels of reporting and accountability as well as a well-identified system of priorities and distinct details on implementation of tactics.

• **Objective 3.2 – Extension to the Community (nine tactics)**
  • The School of Medicine will serve the public good by collaborating with internal and external stakeholders on DEI and anti-racism initiatives that extend our reach across the region and that help reduce health disparities.

• **Objective 3.3 – Evaluation (nine tactics)**
  • The School of Medicine will evaluate the impact and outcomes of this plan, monitor progress towards achieving the plan’s goals and objectives and utilize that information to refine future DEI and anti-racism initiatives.
