The Kinsman Bioethics Conference is an interprofessional conference for all healthcare providers and allied health professionals; physicians, nurses, social workers, chaplains, pharmacists, mental health services, and administrators are welcome. This year’s conference is sponsored and brought to you by the OHSU Center for Ethics in Health Care & Salem Health. We are most grateful to our co-chairs of this conference, Hong Lee, PhD and Susan W. Tolle, MD.

Conference Objectives

- Learn about current trends in clinical bioethics, including statewide efforts in developing Oregon’s crisis standards

- Identify innovative ways to support health care professionals in healing from pandemic related stress

- Examine progress and next steps in promoting health equity
Continuing Education Information

PHYSICIAN CREDIT STATEMENT
ACCREDITATION
OHSU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT
OHSU School of Medicine designates this live activity for a maximum of 10.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSING CREDIT STATEMENT
Those requesting credit will be awarded up to a total of 11.75 NCPD contact hours. OHSU is approved as a provider of nursing continuing professional development by Oregon Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

SOCIAL WORK CREDIT STATEMENT
This conference has been approved by the National Association of Social Workers to award up to 11.5 ethics continuing education credits.

All presenters for this activity have attested that they will provide the best available evidence for this content and present information fairly and without bias.
