

PGY1 Pharmacy Residency General Information

- OHSU Hospitals and Clinics is a 543-bed level 1 trauma center university teaching hospital, consisting of University Hospital, 145-beds in Doernbecher Children's Hospital, and 96 outpatient clinics.
- Five annual PGY1 residency positions are available July 1st through June 30th.
- The program has been accredited by ASHP since 1988.
- OHSU offers five additional residency programs: PGY1/PGY2 Health-System Pharmacy Administration Leadership, PGY2 Critical Care Pharmacy, PGY2 Pharmacy Informatics, PGY2 Oncology Pharmacy, and PGY2 Infectious Diseases
- The resident's schedule is a combination of required and elective rotations

- OHSU uses the PhORCAS system. Candidates must be eligible for full licensure in Oregon by October 1st (for licensure information, visit www.pharmacy.state.or.us). Official transcripts from all professional pharmacy education, a completed OHSU application form, a personal statement, curriculum vitae and three reference in PhORCAS, intern hours (differentiating hours that are school related vs. work related) are required to apply. Applicants are required to register for the ASHP Residency National Matching Program, and an on-site interview is required. PGY1 program applications are due January 1st.
- Visit our website for the application instructions, rotation descriptions, the current residents' schedules, FAQs and contact information, www.ohsu.edu/pharmacy/residency.
