

OHSU GME Lab Coat and Scrubs Sizing Guide

GME provides residents and fellows with META 800 brand unisex lab coats and Dickies brand unisex uniform scrubs. If a more fitted coat or open-button wear is preferred, consider sizing down. Tall sizes run large and are recommended for people over 6' only. If you need assistance with measuring, please consider visiting a local tailor.

Lab coats fit guide:

HOW TO TAKE YOUR MEASUREMENTS:
*ALL MEASUREMENTS IN INCHES

A. CHEST
Measure under arms around the fullest part of the chest.

B. WAIST
Measure under the natural waistline, loosely holding the tape measure.

C-D. CENTER BACK LENGTH
Measure from the bottom of collar to bottom hem of lab coat

E. HIPS
Standing with feet together, measure around the fullest part of the hips.

F-G. INSEAM
Measure along the inside of the leg, from just below the crotch to 1" below the ankle.
