Important Dates

NURS 567b-APN-Pediatric Primary Care II:

Tuesday, 1- 4:50pm (Adobe Connect*) Faculty: J. Bevacqua & M. Driessnack

This is a 'face-to-face' class (with live, synchronous Adobe Connect available for distance students). The focus is on common pediatric health conditions, injuries, and diseases, with an emphasis on episodic care and identification of the need for referrals/consultations.

NURS 569a-Pediatric Acute Care Practicum I (80 hours):

Your clinical rotations are being organized. Faculty: J. Bevacqua

NURS 582 – Management of the Newborn:

Faculty: E. Pruitt FTF* (*Adobe Connect) Jul 7,21, Aug 18, Sep 1, 8 . Other weeks online.

A critical analysis and application of current research, theory, and knowledge relevant to the nurse-midwifery/nurse practitioner management of the neonate.

Pediatric Grand Rounds: Every Wednesday mornings 8-9am DCH - Vey Auditorium. These are recorded, so be sure to look for postings if you miss one!

Book Group (TBA): Looking ahead to Summer quarter – we will tackle our first 'series', beginning with Book 1 of a wonderful Portland-based and authored set - *Wildwood* – by Colin Meloy
