

PNP PROGRAM NEWS – Winter, 2015

Announcements

- Welcome! This is the inaugural issue of the PNP Program News – a quarterly newsletter for students attending the OHSU School of Nursing PNP Program. You are automatically enrolled as long as you are a student here.
- FIRST, we want to get to know you better! To do this, we are asking each of you to provide us with a picture and a short “bio” – that tells us a little about yourself. We will be sharing these!
Send your bio to:
Meghan Langford (Program Associate)
@langform@ohsu.edu.
- SECOND, textbooks. We will be using the following textbook for NURS 565a Pediatric Assessment:
 - Duderstadt, K. (2014). *Pediatric physical examination: An illustrated handbook* (2nd ed.). St. Louis, MO: Elsevier/Mosby.

We also recommend, but will not require:

 - Zitelli, B. (2012). *Zitelli and Davis' atlas of pediatric physical diagnosis* (Sixth ed.). Philadelphia, PA: Saunders/Elsevier.
- FINALLY, a heads up! The National Association of Pediatric Nurse Practitioners (or NAPNAP) is the primary professional group for PNP's. Each year they hold a very informative and fun conference! This year it is nearby in Las Vegas! Plan to attend...
