## **Provost Award for Excellence in Program Assessment Pediatric Primary & Acute Care Nurse Practitioner Program**

The PNP program has won the Provost Award for Excellence in Program Assessment this year from OHSU Assessment Council and Provost Office!

This award is for programs that have a top score on both their plan and report. The criteria includes: communicates learning outcomes, aligns well with university outcomes, engages stakeholders at a high level, and makes data-based changes to classes and the program as a whole.

We are honored to receive this award! Find more information, at <https://www.ohsu.edu/education/assessment-awards>.

## ***Get Ready for Boards!***
