

PNP Summer 2020 Newsletter

BOOK CLUB | ANTI-RACISM WEBINARS | RESOURCES

HAPPY SUMMER TERM 2020 FROM PNP FACULTY AND STAFF

We hope that things are going smoothly for you during the Summer term. During these times of uncertainty, be sure to check your messages to make sure you stay up-to-date on announcements from both School of Nursing and OHSU.

We've been informed that students have been gathering at Marquam Hill and the South Waterfront, but have not been wearing masks. Please remember to wear a mask, maintain a distance of 6 feet, and avoid crowds of more than 10 people. If you have any questions, please don't hesitate to reach out and let us know.

Book Club Pick: The Benefits of Being an Octopus

Date and time TBD

This moving debut novel explores the cultural divides around class and the gun debate through the eyes of one girl, living on the edges of society, trying to find her way forward.

You can find this book for purchase online or check your local library to obtain a copy.

THE IMPACT OF RACISM ON THE HEALTH AND WELL-BEING OF THE NATION WEBINAR

The leadership of American Public Health Association has a series of recorded webinars that address the "stigma, inequalities, and civil justices remain in our society today". We encourage you to listen and be engaged in the series, which focuses on "racism's impact on health and disparities". Thank you to Asma and Christy for sharing information about this resource.

Here is the link: [Webinar Series with APHA](#)

Webinar #1: Naming and Address Racism: A Primer

Webinar #2: No Safety, No Health: A Conversation About Race, Place and Preventing Violence

Webinar #3: Unequal Treatment: Disparities in Access, Quality and Care

Webinar #4: Racism: The Silent Partner in High School Dropout and Health Disparities

What's Keeping You Busy?

Christy Deobald, Class of 2022, shares a podcast she's been enjoying!

Love to Sew podcast - Hosts Helen and Caroline "engage with the global sewing community and encourage listeners to create their dream wardrobe by sewing their own clothes!" Christy recommends episode 149: [Meditative Crafting](#).

Do you have an activity you want to share?
Email garciaai@ohsu.edu to have your recommendation added to the next newsletter!

Diagnosing and Treating Systemic Racism - NEJM

Recommended by Jenny Bevacqua, this editorial was published in the July 16, 2020 issue of The New England Journal of Medicine. Please take a few minutes to read this powerful article: [NEJM Article](#)

Pediatric COVID-19 Resources

Jenny also provided a fantastic resource for Pediatrics & COVID-19 as well as resources for important pediatric-related topics, such as Child Care, Children with Special Needs, and Mental Health.

The list is included as the last page of this newsletter. Thank you again, Jenny!

TOPICS YOU'D LIKE TO SEE FEATURED?

Reach out and let us know! Our goal with the quarterly newsletters is to ensure the PNP staff and faculty provide you with up-to-date and pertinent information in regards to your education and time with us here at OHSU.

Cheers and Happy Summer! Stay Safe!

Pediatric COVID-19 Resources

PLEASE NOTE: COVID-19 is an evolving and dynamic situation. Every effort is made to ensure that the information provided in this document is correct and that links are functional. However, please refer to each organization's website for up-to-date information and take note of publication dates on documents.
