

Serving People With Heart

About Canopy

Founded in 1975, Canopy (formerly Cascade Centers) has been committed to improving quality of life and supporting organizational success. We provide counseling services, behavioral coaching, digital mental health tools, organizational support, and crisis response to organizations nationally with a global reach.

The Canopy difference

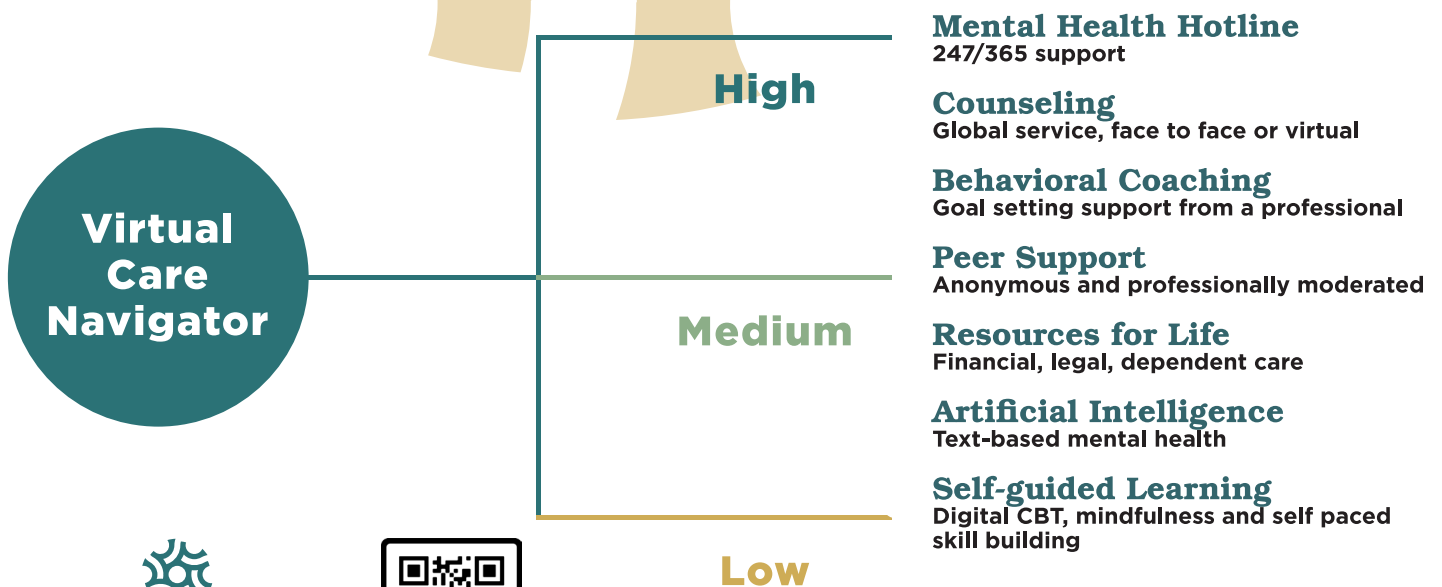

Canopy is always observing, learning, and adapting. We continuously find new ways to solve problems because we believe that there is no one-size-fits-all approach. Customers choose Canopy because our services provide a better experience, improve outcomes, and give them higher value.

Providing innovative solutions

Canopy provides comprehensive and leading-edge services nationwide, such as:

- **The right level of care**

By answering a couple of questions, members receive immediate, personalized content based on those answers.
