

Dermatology, Residency and You

A virtual opportunity to meet, learn and connect with our residency program

2022

July 20
11 a.m. - Noon

Aug 10
11 a.m. - Noon

No registration
necessary

Dear Future Dermatologists,

We are hosting virtual meet and greets for prospective dermatology applicants. We would love to get to know you, and give you an opportunity to get to know us despite the limitations on in person rotations!

Please join us to meet our Program Director, **Dr. Nicole Fett (above)**, our Associate Program Director, **Dr. Julie Dhossche (below)**, our Program Manager, **Sarah Wilkinson**, and our current residents and faculty.

We will do a 10 minute program overview before a Q&A session.

Each session will be the same format. Attending will have no weight on interview invites or ranking; attendance is not taken.

To join any of the scheduled conferences, please utilize the log-in link below:

ohsu.webex.com/meet/wilkisar
