

# Sponsor Innovation and Commercialization at OHSU

Innovation, commercialization and entrepreneurship are thriving at Oregon Health & Science University. As the state's only academic health center, OHSU's breakthrough research leads to new cures, new standards of care, and a better understanding of the basic science that drives biomedical discovery. OHSU Innovates is helping to build a thriving life science and healthcare industry in the greater Portland area and beyond. Read more about our [Innovation Funding](#) and [Education Programs](#).
