\*\*\* Prices not current. Last update 10/2019

- **FREE:** Student compliance requirements include **annual influenza vaccinations, annual tuberculosis screening, and maintaining updated tetanus vaccinations ONLY.** These are not billed to your insurance and are free.
- **BILLED:** Other vaccinations and titers are billed to insurance and subject to insurance copays and deductibles.
- **SELF-PAY:** You can chose to pay a self-pay fee for vaccinations PRIOR to receiving these services. You insurance will not be billed in this situation. **A self-pay option is not available for titers/ lab draws**
