The School of Nursing reserves the right to change the days, times, and terms that courses are offered.

This includes clinical orientation days, which may be held on days not normally scheduled for clinical.

M=Monday, T=Tuesday, W=Wednesday, R=Thursday, F=Friday, S=Saturday, U=Sunday

Note that terms are 11 weeks long so students should assume they will need to be on campus in week 11, though the days and times may vary from the regular weekly schedule. Each course will ensure these times are communicated.
